Showcase your Products and Services at our 3rd Expo

This is an exceptional event to showcase your products and expand your marketing reach. Thousands attended last year's expo and this year is expanding in popularity. Here's what Veg News Magazine had to say "...they have built local awareness and organized the ultra-successful NY's Capital Region Vegetarian Expo...and was buzzing from start to close."

WELCOME to the NY's Capital Region Vegetarian Expo, featuring exhibitors, nationally renowned speakers, children's corner and animals at the Saratoga Springs City Center in Saratoga Springs, NY. The Expo is the first in the Capital Region area to bring together and promote the global health benefits of green sustainable living, environmental awareness, and compassion for animals and all beings while highlighting their relationship to a plant-based diet.

We are a not-for-profit organization comprised of dedicated volunteers. We provide information, encouragement and community support for anyone wishing to discover more about healthy, environmentally friendly, and humane living choices.
